## Introducing the GBP722TCKL... Trailer and Cab Kit

Choose GAGE BILT'S blind rivet and lockbolt installation kit designed especially for Truck and Trailer OEM's. The heart of the system is our heavy-duty GB722 installation tool this including nose assemblies are conveniently stored in a metal tool case.

The GB722TCKL kit contains the long 3/16" Magna-Grip® nose needed to fix Kenworth® and Peterbilts®. Standard length noses for 1/4" Magna-Grip, 3/16" lockbolt nose for stainless steel grill bolts, a nose and 2 tips to install 3/16" and 1/4" structural blind rivets in any material for the hood and cab and a catcher bag for pintails. This kit will work on Freightliner®, Mack and many other tractors also. If additional noses are needed, please consult Gage Bilt.
