

GAGE BILT...solutions

Introducing the GBP745TCK... Trailer and Cab Kit

Choose GAGE BILTS' blind rivet and lockbolt installation kit designed especially for Truck and Trailer OEM's. The GBP745TCK can be configured to meet your needs, whether you're fixing Wabash, Great Dane, Peterbilt, Kenworth or any other brand trailer or truck. The kit includes nose assemblies to pull your fasteners, and at the heart of the system is our heavy-duty GBP745D installation tool. All of this is conveniently stored in a metal tool case.

The GBP745TCK kit comes with a nose and 2 tips to install 3/16" and 1/4" structural blind rivets in any material, a bleeder bottle, a catcher bag for pintails, a 3/16" & 1/4" Magna-Grip® nose for the hood and cab and a 3/8" C6L Huckbolt nose. An adapter is included for the noses through 1/4".
